# Requesting an FVS Course through Vector

1. Student or Parent logs into Infinite Campus Portal

2. Click "More" from the link options on the left of the screen, and select "VECTOR Course Request"
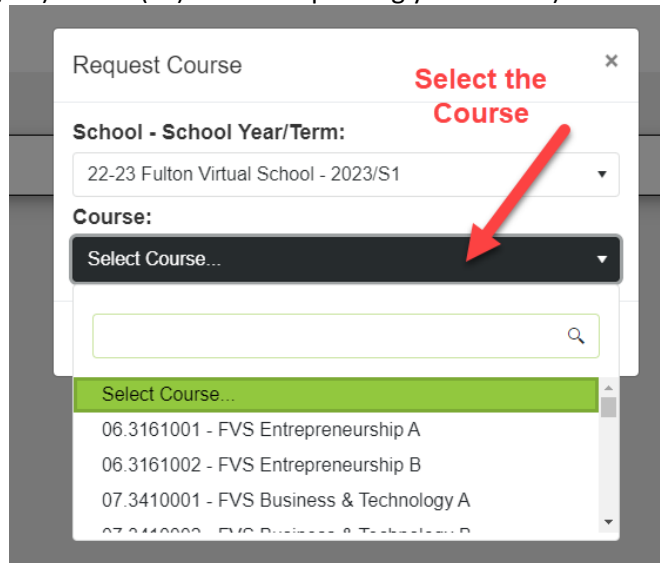

3. VECTOR opens in a new tab. Once there, click the "Request Course" button

4. Select the school year and term from the drop-down menu

5. Carefully select the course from the drop-down menu (Suggestion: confirm the course number with your counselor (MS/HS) or CST (ES) before requesting your course)

6. Click the "Submit Request" button to send your course request to your school for approval
